## **Carnegie Investment Counsel Announces New Hire**

Carnegie Investment Counsel has a new addition to their Cleveland office with the hiring of Brenton K. Luce. Brent brings over 17 years of experience to the Carnegie team with a broad background in portfolio management, alternative investments, research and trading.

“We are delighted that Brent has joined us at Carnegie. He is an unusually talented investment professional with a wide range of skills, particularly related to the equity markets and stock-picking,” notes Arthur G. Merriman III, CFA, Principal and Senior Portfolio Manager. “Brent is energetic and passionate- someone with his wealth of experience is very hard to find.”

“The firm has an impressive team of investment professionals and is one of Cleveland’s premier independent investment management firms. Carnegie believes every investor is unique and believes in providing individualized portfolio management to each investor,” Brent comments. “I am ecstatic to be joining such a great team and look forward to responsibly serving our investors.” Brent has previously worked at Shaker Investments in a variety of roles, and most recently at CapitalWorks as a Partner and Portfolio Manager.

Headquartered in Pepper Pike, Ohio, Carnegie Investment Counsel is a fee-only investment management and planning firm managing over \$1 billion as of December 31, 2014 for individuals, families, foundations, and endowments.
